

FISCAL NOTE

HB 882 - SB 1690

February 27, 2003

SUMMARY OF BILL: Adds the International Building Code and the International Fire Code to the list of building and construction codes which may be adopted by local governments as part of building construction standards.

ESTIMATED FISCAL IMPACT:

Increase Local Govt. Expenditures - Not Significant / Permissive

Estimate assumes local governments choosing to adopt these Codes will experience an increase in expenditures for the cost of code manuals and possible training for inspectors. This increase is estimated to be not significant.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
